

# SUMMERING

with Resorts West

Our belief has always been that the mountains offer a distinct atmosphere where quality time together will strengthen the bonds between those closest to us. We invite you to experience summer in Park City with Resorts West. From humble beginnings as a mining town, Park City has grown to become one of North America's premier four-season resort destinations boasting a wide array of summer activities complimenting winter's Greatest Snow on Earth™. Guests can enjoy world-class golf, blue ribbon fly-fishing and thousands of miles of hiking and biking trails while taking in weekly farmer's markets, outdoor concerts and community art festivals.
