**Resorts West Introduces Newly Constructed Deer Valley Ski Home**

*“Bachelor’s Roost” features 9,000 square feet, Grand Theatre and slope-side access*

**Park City, Utah – November 18, 2011** – Luxury lodging provider Resorts West has added “Bachelor’s Roost,” a 7-bedroom villa nestled on a private ski run in the gated community of Deer Crest, to its vacation rental inventory at Deer Valley Resort. Featuring 9,000 square feet, ski-in/ski-out access, an oversized hot tub and après room with custom ski lockers, Bachelor’s Roost was built to encompass a skier’s every need. Professionally designed by interior decorator Tamar Conville, the home evokes a feeling of comfort, warmth and entertainment.

“Every home is just like a person,” Conville explained. “It has a personality.”

Conville felt a whimsical quality about Bachelor’s Roost that called for simple, modern finishes and a sense of “fun” throughout the home, she said. She added a pool table, indoor bar and media center with oversized Love Sacs to the spacious den, while incorporating hints of bright colors and animal print throughout the home to liven the Old World feel of hardwood floors and high beams.

For entertainment off the slopes, this unique home features a Grand Theatre with stadium recliner seating and a fitness area with state-of-the-art equipment. A massage room complements the Master Suite for in-home treatments. Amenities also include an outdoor fire pit, gourmet kitchen with separate butler’s kitchen, a spacious great room and breathtaking views of the Jordanelle Reservoir. Each bedroom features an en-suite bath.

Guests of Bachelor’s Roost enjoy complimentary shuttle service throughout Park City and daily housekeeping. A Private Concierge reaches out to each guest as soon as the home is reserved to offer assistance with luggage shipment, villa pre-arrival grocery stocking and other services. The concierge also greets each guest at the home for private, in-home check-in and a tour of the home’s features. Private chef service, in-home spa treatments, in-home ski rental fitting and restaurant reservations are also available through the Private Concierge.
