Resorts West Announces Valentine's Day Ski Package for Families

Child care included for a night out for mom and dad

Park City, Utah – December 19, 2011 – Luxury ski home manager Resorts West today announced a Valentine's Day lodging package for families who don't want to compromise between a vacation with the kids and a romantic getaway. Families who stay at a Resorts West condo or townhome for four nights from Feb. 6 to 15, 2012 receive a complimentary fifth night and an evening of complimentary babysitting for up to three children.

Babysitting is offered through Park City Sitters, a professional child care service that requires background checks, CPR certification and minimum experience for all sitters. This package includes four hours of complimentary, in-home child care, allowing parents to enjoy dinner for two at one of Park City's fine dining restaurants, a night at the Egyptian Theatre, or even a horse-drawn sleigh ride at Deer Valley Resort. Resorts West's concierge service arranges reservations and activities.

Resorts West offers 2- to 4-bedroom luxury condos and townhomes, each including hot tub access, a gourmet kitchen, finely appointed décor and luxurious bedroom suites with private bathrooms. Many offer game rooms, dens, flat-screen TVs and kid-friendly bunk rooms. Ninety percent of Resorts West's properties offer ski-in/ski-out or walking access to the slopes.

Resorts West's **Valentine's Day Family Getaway** starts at \$3,240 for five nights at a 3-bedroom Park City condo. Price reflects a complimentary night, four hours of babysitting, daily housekeeping, concierge service and complimentary shuttle service. Rates vary based on property location.
